

LE CHAPOTÉ

P A R I S

SUMMER COLLECTION 2020

Le Chapoté Paris is the story of Clémence and Guillaume, «Lovers» in love of fashion, design and «contemporary headgear».

In parallel of its luxury «hand-made-in-Paris» line, this summer 2020 collection is made-in-Europe and affordable for all of us.

Le Chapoté offers a unisex collection for a chic & trendy summer!

Uni-color caps & hats with big logos, made-in-China are over!...
Between streetwear and elegance, Le Chapoté works with the heart to select its designs to cover all our unique heads!
